“As a First Informer Broadcaster I assume the risks associated with entering an area affected by an emergency, and that no emergency first responders, including law enforcement officers, firefighters, or any government agency or its employees, shall be liable for in negligence or strict liability for any injury or harm I might experience by entering an emergency area. Nothing in this provision shall absolve any third party for any liability to me, nor shall it absolve any individual or entity from willful misconduct such as criminal activity.”

The First Informer Broadcasters badge may be used ONLY by the person identified and ONLY for the purpose for which it was issued. The First Informer Broadcasters badge is the property of the Missouri Broadcasters Association and must be surrendered upon request of the Association.
